

INSTALLATION INSTRUCTIONS

2025+ TACOMA ARB BUMPER KIT

PRODUCT INCLUDES:

- (2) SRL FM PODS WITH RED BACKLIGHT
- (1) PLUG-N-PLAY HARNESS

RECOMMENDED TOOLS:

- T-20 TORX
- WIRE CRIMP TOOL

IMPORTANT

THANK YOU FOR PURCHASING RIGID INDUSTRIES' PRODUCTS FOR YOUR VEHICLE.

Please read through all of these Instructions and tips before proceeding with the installation.

We do our best to provide a simple installation process for all applications however a professional installation is always recommended.

NOTE: Due to OEM manufacturing changes, the included Plug-n-play harness does not fit 2024 and older models

Always disconnect any power sources connected to your vehicle before servicing fuses or electrical systems.

STEP 1:

Remove "Blank" from the bumper using the Torx tool. Save the hardware used on the blank.

Repeat for both sides.

STEP 2:

Once "blank" is removed, using the same hardware mount the SRL light. Repeat for both sides.

Once complete bumper should resemble picture below:

STEP 3:

Crimp the light to the harness for each pod using the diagram below:

RED WIRE = PROJECTING TRIGGER
BLACK WIRE = GROUND
WHITE WIRE = BACK LIGHTING TRIGGER

IMPORTANT

Always disconnect the vehicle battery terminals before servicing the electrical system

STEP 4:

Match the light pigtail to the harness colors: Red to Red (Forward projecting LED +12v trigger), White to White (back-lighting LED +12v trigger), and Black to Black (shared ground).

STEP 5:

Use butt connectors with appropriate wire AWG.

STEP 6:

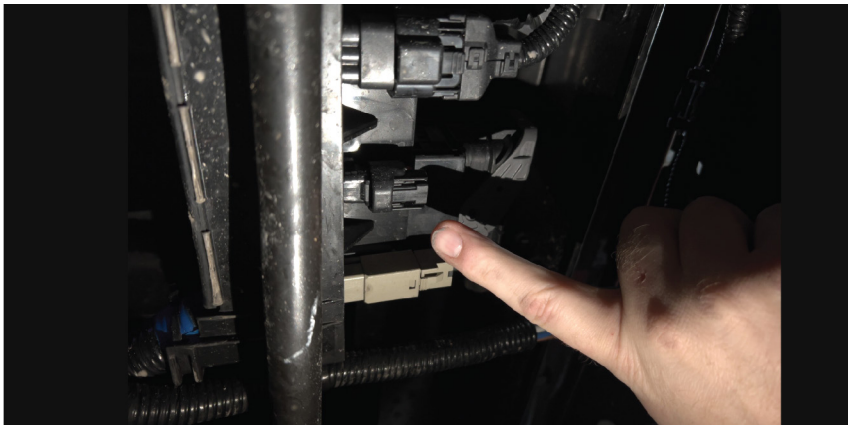

Find a desired location for switches and drill a 3/4" hole for each switch.

STEP 7:

Plug the harness connector into this location under the rear of the truck on the driver side of the spare tire. There may be a "Blank" connector, you will have to remove that first.

For backlight feature, attach white wire to power source, or splice into brake light or running light feature.

Professional installation suggested.

Wiring: Wire your lights according to the instructions included with the light. Take care to avoid any heat sources and sharp or abrasive surfaces.

Your installation is now complete.
Welcome to the Rigid Nation!
